Past performance is not a reliable indicator of future performance.

#### AIA Disclaimer

Returns are after tax and fund management fees that are deducted as a percentage of funds under management. They do not reflect entry, exit or other fees that are charged at an individual policy, scheme or product level.

#### ANZ OneAnswer Disclaimer

Returns are after the annual fund charge, and before tax and membership fees.

#### Booster Disclaimer

Returns for the funds are after fees (excluding the member fee and any withdrawal fee) but before tax.

#### Fisher Funds Disclaimer

Returns are after annual management fees but before tax. The Balanced Strategy with a target fund mix of 40% Conservative Fund and 60% Growth Fund launched on 1 December 2021. Returns published for periods prior to 1 December 2021 have been calculated using a 40/60 mix of the returns for the Conservative Fund and Growth Fund since their inception.

#### Lifetime Disclaimer

Returns are after total fund charges and before tax.

#### Milford Disclaimer

Returns are after the base fund fee but before tax and before the performance fee (if applicable).

#### Select Wealth and MMC Disclaimer

Select Wealth Management and MMC Fund Manager Returns are after fund manager fees, but before Platform and Adviser fees. Returns are before tax.

#### Accuracy wording

It is based on information believed to be accurate and reliable although no guarantee can be given that this is the case.

Performance for periods longer than one year is per annum. Individual member returns may vary from the above where contributions have been made during the period.
